

MINUTES OF THE NORTH CANTON SOCCER BOOSTER CLUB

April 3, 2013

Board members in attendance were: Trinetta Cotsmire, Mark Enot, Jayme Garfield, Val Huff, Vicki Jones, Jianna Rice and Joe Schoeppner. Coaches Present: Neil Baasten, Gary Bodenschatz and Brian Girdlestone.

Joe Schoeppner called the meeting to order at 7:01 pm and introduced the board members.

Minutes: Teresa Somody motioned to approve the minutes from March 6, 2013. Mike Somody seconded. The motion carried.

Drainage Project: Two additional bids were received for the drainage project, Vasco and Naturescapes Design. Enviornscapes declined to bid. Naturescapes was selected by the board for the project. They will provide drainage for $\frac{3}{4}$ of the field. We will ask the cost to include the entire field. We hope to start the project in April.

Youth Camp: The youth camp will be held June 10-13 from 6-8 pm. We will be taking online registration and payment. Fliers will be distributed to the schools with information.

Lottery: Patti Thornborough explained that each player is asked to sell 10 tickets. The lottery will run the month of June following the daily Ohio Lottery Pick 3. Checks are preferred over cash when possible. She distributed the tickets at the end of the meeting.

Committee Positions: The biggest need at the moment is concession stand managers. Vicki Jones will do the purchasing of supplies for the stand. Shawn Knox suggested having a committee to handle the concession stand needs instead of just two managers. He and his wife Darlene volunteered as well as Beth Humbert, Teresa Somody and Vicki Jones (purchasing).

Cam Denbrock volunteered to handle fundraisers again. He is looking into Donatos and Chipotle currently. Also still have plenty of yard signs to sell.

Shoot Out Picnic: Teresa Somody will loan the sternos for the chicken.

Darlene Knox and Laurie Corbit will handle spirit wear, team hoodies, summer league and youth camp t-shirt purchases.

Attached to these minutes is a listing of positions with those in red still needing filled.

Boys Report by Neil Baasten: This past winter, the booster club provided for two teams to be entered at Pinnacle Sports for the second session of indoor. The competition was good and the teams performed well. Next year the foot skills for high school and middle school will be separated. Lifting will continue next winter with coach Bodenschatz and Coach Miller heading it up.

Middle school: the first session we entered an under 14 coed team. This didn't prove to be beneficial. The second session a middle school team was entered into the high school division at the Dome. We didn't win many games but were competitive in most. It was a good opportunity to introduce the middle school players to the speed and level of play of the high school game. Improvement throughout the season was good. This program will continue next year for the second session. We do not participate in any games during the first session of indoor.

Conditioning will begin the week of April 8th for all returning players and incoming freshmen. It will be held Mondays, Wednesdays and Fridays from 6-7 pm at the cinder track in front of the high school.

Strikers Soccer Club is offering training sessions for high school players and Coach Baasten will be working with the U14 Strikers players as well.

The boys summer schedule and game schedule was distributed and are available on the website (www.hooverhighsoccer.com).

A team meeting will be held hopefully the week of April 10th.

It is Coach Baasten's hope to win the Federal League again this year. Work needs to start way before August 1st to do so, therefore, he encourages all players to participate in the conditioning and summer training programs.

Girls Report by Brian Girdlestone: Foot skills for the middle school went well. The middle school team that played in the high school league did well and showed good improvement. The high school team playing at Pinnacle had good participation and great competition.

Team meetings will be held April 9th for the high school and on the 11th for the middle school right after school. Conditioning will start soon.

We will place a team in the summer league in Hudson again this year. More info will be available in mid-May.

Starting June 3rd foot skills will be held on Mondays and Wednesdays with Joe Pavlek. Tuesdays and Thursdays will be conditioning days.

Edinboro camp will be July 10-13th and the Adidas Showcase will be held from July 19-21. A team with 8th graders may be entered in Showcase as well. The first scrimmage is August 5th and the first game is August 19th.

Conditioning requirements for this year are reaching level 8 on the beep test and completing the two mile run in 16 minutes.

Meeting adjourned at 8:00 pm. The next meeting is scheduled for Wednesday, May 1st in the med tech room at Hoover High School.

Respectfully submitted,
Trinette Cotsmire, Secretary
North Canton Soccer Booster Club
